# IMPACT – The Podcast that Matters.

## **Host 1: Nigel Bennett - Author, Philanthropist, Adventurer and Founder of Aqua Guard, Trubeach and GIFTADD.**

In 1992, Nigel co-founded Aqua-Guard Spill Response Inc. The business's mission: to protect water, the world's most precious resource. For almost 30 years Aqua-Guard's patented technology has been used to respond to almost every major marine oil spill around the globe.

Nigel and Aqua-Guard have received multiple awards for their innovation, business excellence, and entrepreneurialism.

His riveting tell-all book *"Take that Leap – Risking it all for what really matters"* recounts his adventures as he created a life rhythm by establishing, leveraging and then setting up the business to run without him so he could focus on what really matters.
